School will be starting **Thursday, September 6, 2012**. Please have your apprentice(s) purchase their books ahead of time online at www.feaa.net. Simple click on the "order books" tab and follow the prompts from there.

If you have any new apprentices you would like to sign up for school, please have them call our office for an appointment. The enclosed insert will explain what they will need to apply.

If there is any change in employment or address with any of your apprentices, please have them call the apprenticeship office so we can keep our records current.

Work Records - OJT

Please remind students to keep track of their summer work records from April through August as this time will be credited towards the total 8000 hours required to complete the program. If you need additional work records, please go to our website: www.feaa.net and highlight forms. The work record will be listed to download and print.

Summer Hours

If you call the office in June, and you get no answer please leave a detailed message as our employees will be working summer hours.
