PBSC - Lake Worth Campus

## Enrollment for September 2015 Apprenticeship Classes

FEAA is now accepting applications for fall 2015 enrollment. If the student is enrolled early they will get credit for their summer OJT with the college. If you have employees, who have expressed an interest in the program, and you are willing to sponsor, or if you feel that you currently have an employee who would benefit from additional training, please have them contact our office Monday-Thursday to set up an appointment to complete an application. **Tuition will be \$450.00 per apprentice starting in September, 2015.**

They must bring the following documents with them for the interview process:

Drivers License

Social Security Card

High School diploma or GED

Any documentation to verify prior time in trade

## Apprentice Evaluations

Please take the time to evaluate your apprentices with the enclosed green Apprentice Performance Evaluation. We use this information to find out how the apprentice(s) are doing on the jobsite. Please either mail back to us or fax to our office at 561-697-8728. As always, thank you for supporting apprenticeship!

## Work Records

Please remind your apprentices to make sure that they have all of their work records turned into the apprenticeship office. No certificates of promotion or completion will be issued without these records current and up to date. This includes the month of April.
