Apprentice Wage Schedule

Just a reminder that it is time to update wages based on the attached current wage schedule according to the apprenticeship standards. Please make any necessary changes to any of the apprentices that are employed by you. If you have any questions or concerns, please call the apprenticeship office. As always thank you for supporting apprenticeship.

Apprentice Performance Evaluation

Please take a few minutes to assess your apprentice on the attached Evaluation. Please mail, fax (561-697-8728) or email (lroti@feaa.net) back to the apprenticeship office. The evaluations are essential and give us valuable insight as to how the apprentices are working on the jobsite. Thank you for your support!

Please remind your apprentices that they must have all OJT reports up to date through March 2017 in order to receive their promotion certificate at the April 2017 Graduation Ceremony.
